

Bayou Ophthalmic Instruments, Inc. Partnership

The Vendor Relations Committee is pleased to offer TSO Members preferred pricing from Bayou Ophthalmic Instruments, Inc. Bayou Ophthalmic Instruments has over 80 years of sales, service and repair of optometry equipment. Randy Moody and Scotty Thorpe have worked with many TSO offices over many years and are able to provide services and sales throughout the state of Texas. Now TSO Members are able to save on the service, cleaning, repair and purchases of a full line of optometry equipment.
