Stately eyewear that combines classic elegance and high-end detailing.

A stunning new collection for both men and women. Glen Lane offers vintage inspired frames in a refined, elegant and earthy palette of crystals, tortois and classic blacks. The collection features handmade acetate and metal frames, with detailing such as: saddle bridges, coined edges, hand wrapped Windsor rims, keyhole bridges, bold browlines, iconic rounds and antique finishes. Each Glen Lane frame includes a custom soft leatherette clam shell case and a microfiber cleaning cloth. Available point of purchase for the collection include an elegant 1-place display, logo block and frame mat display.

Unique patented wide oval shape plug
with horizontal and vertical grooves on its surface

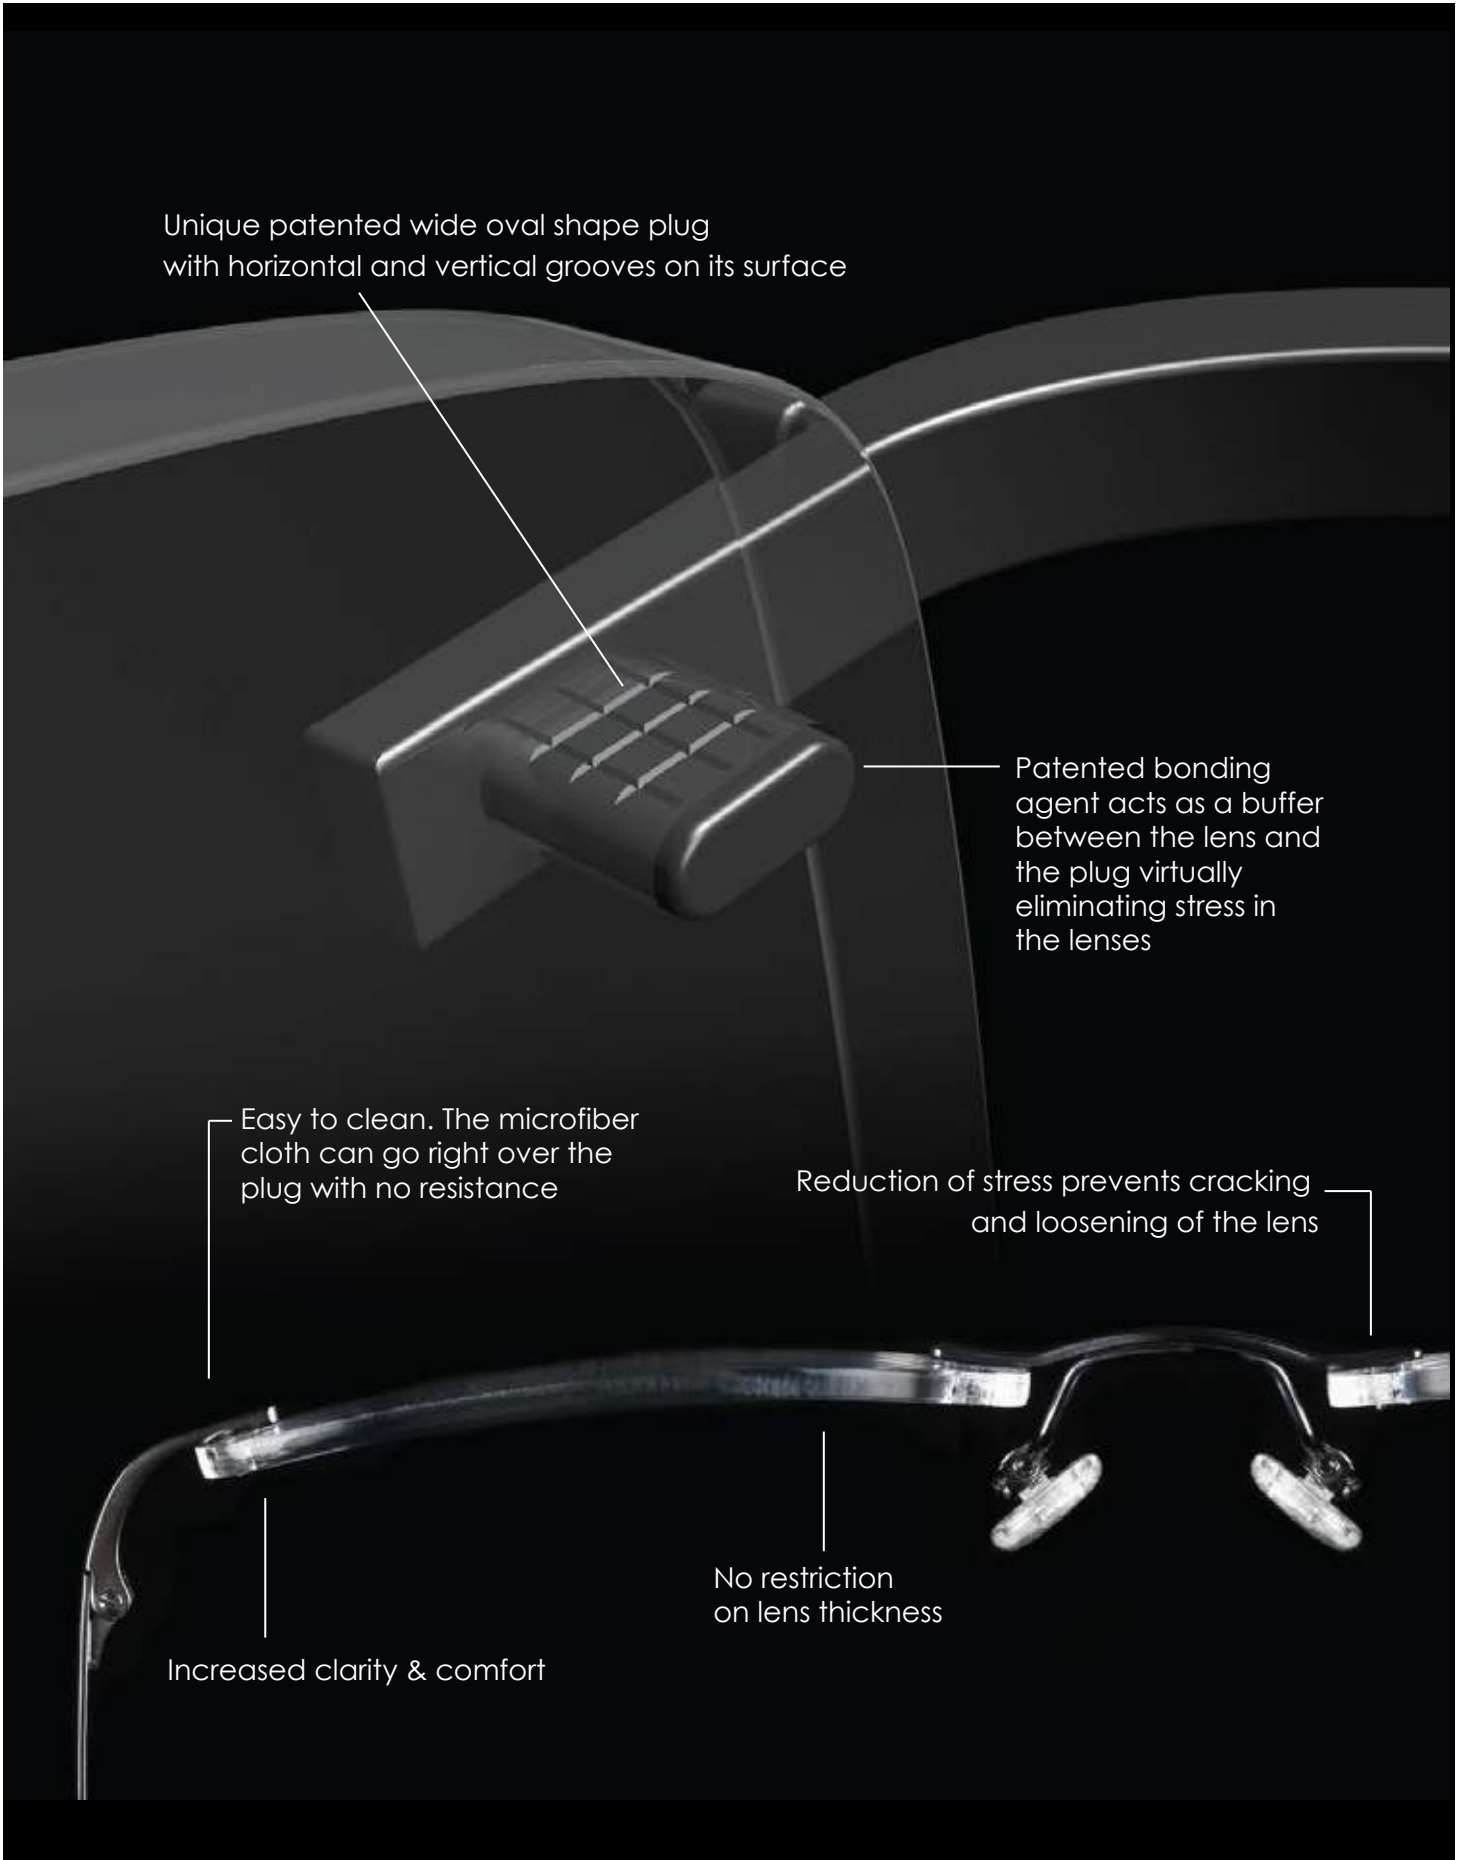

Patented bonding
agent acts as a buffer
between the lens and
the plug virtually
eliminating stress in
the lenses

Easy to clean. The microfiber
cloth can go right over the
plug with no resistance

Reduction of stress prevents cracking
and loosening of the lens

No restriction
on lens thickness

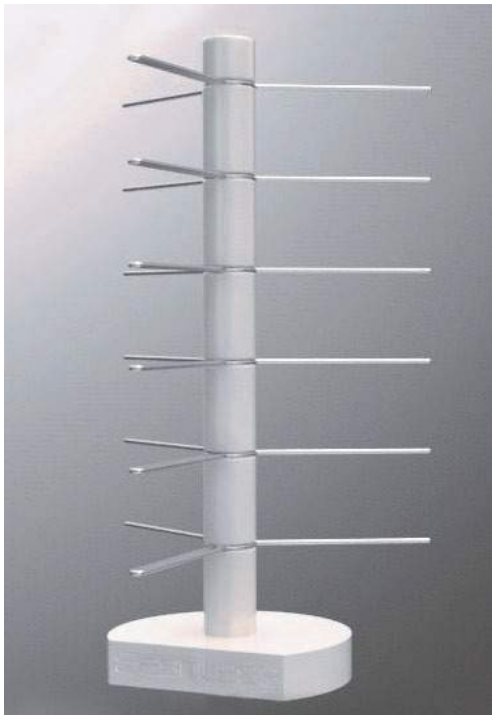

Increased clarity & comfort

Patented New Rimless Technology

The Seamless collection uses a unique wide oval shape plug with horizontal & vertical grooves on its surface. When used with the patented bonding agent, the lens and the frame fuse together. The strong adhesive acts as a buffer between the lens and the plug virtually eliminating the stress in the lenses. This reduction of stress prevents cracking and loosening of the lens for the life of the Seamless frame.
